WeCare® Acc.free Single-use glove nitril powderfree white 6/XS

SKU: 13112

A white powder free disposable glove The glove is suited for cleaning, care tasks and handling of foods. The glove is made of nitrile and has a rolled edge that makes it easier to put the glove on and take the glove of. The surface is lightly textured for a better grip. The glove can be used on both left and right hand. Store in a dark and cool place between 5°C to 25°C. Discard after use. The white colour secures traceability if the glove is used for foods.

- **Powder free**
- **Less risk of allergies**
- **To be used on both left or right hand**
- **The white colour secures traceability when the glove is used for foods**
