

Worksafe Servicepants, black, L

SKU: 17017

Multifunctional service pants. The pants are made of a thin 200gsm cotton / polyester fabric with stretch for extra comfortable comfort indoors. With both straps and belt loops at the waist, the pants can be adjusted perfectly to your body. They have buttons at the leg ends to make them narrower if the trousers are too long or need to be adjusted to your shoes. Can also be folded up and easily fastened with a button on the side on the slightly warmer days, when you want shorter pants.

- Adjustable legs
- Unisex
