

WeCare® Acc.free, Single-use glove, nitril, powderfree, white, 9/L

SKU: 11064

A white powder free disposable glove The glove is suited for cleaning, care tasks and handling of foods. The glove is made of nitrile and has a rolled edge that makes it easier to put the glove on and take the glove of. The surface is lightly textured for a better grip. The glove can be used on both left and right hand. Store in a dark and cool place between 5°C to 25°C. Discard after use. The white colour secures traceability if the glove is used for foods.

- Powder free
- Less risk of allergies
- To be used on both left or right hand
- The white colour secures traceability when the glove is used for foods
