

Green-Tex® All Purpose Cloth, yellow, 38 x 38 cm, pack of 20

SKU: 2523

This all-round cloth is made from bamboo fibre and is therefore completely free from microplastics.

Microplastics are harmful to the environment. As a result of the increased focus on environmental issues, we have produced this 100% biodegradable cloth, which is completely free from microplastics. The cloth is made from bamboo, a fast-growing natural resource.

Bamboo is one of the strongest and most absorbent natural products. A cloth made from bamboo fibres can absorb up to 10 times the amount of regular kitchen paper. The cloths can be used dry or damp to clean anything from dirt and dust to minor spills of liquid.

- Made from certified organic bamboo
- Completely free from microplastics
- 100% biodegradable
- · Leaves no scratches or fluff
- Can be washed approx. 85 times
