

## Soft Care Sensitive

### Mild handwash

# H22

#### Description

**Soft Care Sensitive** is a mild handwashing product specially developed for sensitive skin. The product does not contain perfume, making it suitable for application in the food service area.

#### Key properties

**Soft Care Sensitive** is based on a mild surfactant system, without using dye or perfume. The anionic, amphoteric surfactant system ensures excellent removal of (greasy) soil. The mild detergent blend and absence of perfume and dye makes it suitable for frequent use by people with a sensitive skin (no skin irritation or drying out). In addition moisturizers provide skin care effects.

**Soft Care Sensitive** is perfume free, thus eliminating the risk of tainting food and allowing use in the food processing area.

**Soft Care Sensitive** has been formulated in accordance with the European Cosmetics Directive and as such is safe when applied according the directions for use.

#### Benefits

- Excellent cleaning performance
- Mild on sensitive skin
- Suitable for frequent handwashing
- Does not contain perfume or dye

#### Use instructions

Apply one dosage of product on hands, wet slightly and rub to form a rich lather. Rinse and dry hands thoroughly.

#### Technical data

Appearance:	Opaque liquid
Relative Density [20 °C]:	1.03
Viscosity [mPa.s; 25 °C]:	1250
pH [neat]:	5.5

The above data is typical of normal production and should not be taken as a specification.

#### Safe handling and storage information

Store product away from extremes of temperature (temperature > - 5 °C and < 40 °C).

Full guidance on the handling and disposal of this product is provided in a separate Material Safety Data Sheet.
