

Product Specifications

Brand : Klinion® Personal Care
Product : Wash Cream

Packaging & Product Reference

Product Reference	Description	Color	pH	Odour	Piece(s) per Outer Carton
30808409	Klinion Personal Care Wash Cream 600 ML	White	5.5	None	10

Product description

Wash cream for cleaning the skin without water. pH 5,5

Intended use

The Klinion Personal Care Body Wash Cream is a good alternative to soap and water if a patient is bedridden as it is not necessary to rinse the cream off after application. A suitable amount should be placed on either a dry or moist single use cloth or napkin and massaged into the skin. Alternatively, it can be applied directly onto the skin. There is no need to apply further moisturising agents onto the skin after using Klinion Wash Cream.

Classification

Cosmetic product according to regulation EC 1223/2009

Features

- Nordic Swan Eco-label
- Available in 600 ml
