

WeClean® IQ Descaler, 2,5 L

SKU: 17421

The most concentrated cleaning agent on the market

Effective descaler, which is suitable for all types of acid-resistant surfaces, e.g. glass, plain bathroom tiles and porcelain. The concentrate is used in an IQ dosing system to automatically fill the correct solution in your spray bottles.

- Effective high concentrate for use in IQ dosing systems
- Meets the Nordic Ecolabelling's environmental requirements.
- For daily cleaning glass, bathroom tiles and porcelain.
- 3 ml of concentrate gives 750 ml ready-mixed
- Colored liquid for use in color management Dosing systems, cabinets and cabinet rings for color management can be purchased separately. The dosing wheel on the dosing system must be at the lowest dosing = L = 1: 128
