

Multi Clean with, enzymes, no perfume, 750 ml

SKU: 2207

Multipurpose cleaner with enzymes is an effective allpurpose cleaner based on enzymes. The product removes dirt, grease and rust from all surfaces and objects and prevents new deposits. The product is biodegradable and harmless to humans, animals and nature. Multipurpose cleaner with enzymes leaves surfaces clean, shiny and fragrant. The enzymes work as long as there is organic material, thus making cleaning easier from time to time.

- Best used in wet rooms where a fresh environment is desired
- · Results in a clean and shiny surface
- Contains no perfume
- Spray head is purchased separately on item no. 2899
